**2. Identification of Licensee**

The Respiratory Care Practitioner is Dwight Wells (the “Licensee”). His mailing address is 4157 Meredith Woods Lane, Winston-Salem, NC 27107. The Respiratory Care Practitioner holds North Carolina Respiratory Care License number 2323 (the “License”), first issued on September 10, 2002, with an expiration date of September 10, 2009.

**3. Waiver of Rights**

I, Dwight Wells, the Respiratory Care Practitioner, understand that I have each of the following rights:

(Initials)

- \_\_\_\_\_ The right to a hearing before the Board;
- \_\_\_\_\_ The right to present evidence to disprove all or some of the charges against me;
- \_\_\_\_\_ The right to present evidence to limit or reduce any sanction that could be imposed for a violation;
- \_\_\_\_\_ The right to confront and cross-examine witnesses and to challenge evidence presented by the Board against me;
- \_\_\_\_\_ The right to present legal arguments in a brief; and
- \_\_\_\_\_ The right to appeal from any final decision adverse to my license to practice respiratory care.

As noted by my initials above, I hereby freely and knowingly waive these rights without further process and agree to the terms of this Consent Order regarding my license. In order to resolve this matter by a Consent Order, I also agree that the Board staff and counsel may discuss this Consent Order with the Board *ex parte* whether or not the Board accepts this Order as written.

#### **4. Stipulation to Facts**

The Respiratory Care Practitioner and the Board stipulate to the following facts:

A. The Respiratory Care Practitioner was engaged in the practice of respiratory care in North Carolina when the events occurred that led to the initiation of this complaint.

B. The Board received a complaint from Board Staff alleging that the Licensee failed to produce his continuing education (CE) records. The Licensee renewed his license on September 5, 2008 and checked CE option 1 (completion of a minimum of 12 hours CE). The Licensee was on the audit list and an audit notice was mailed on September 6, 2008 and again on October 13, 2008. The Licensee failed to produce documentation of the required continuing education.

C. The Licensee admitted during an interview with the Board's Investigation and Informal Settlement Committee that he was not sure that he had completed the 12 hours required. The Board's Executive Director called his practice site and received documentation of 10 hours of completed CE.

#### **5. Stipulated Order**

##### **A. Stipulation to Sections of Law Violated:**

I, Dwight Wells, the Respiratory Care Practitioner, admit that the allegations against me, if proven true, would constitute violations of N.C. Gen. Stat. § 90-659 (a)(4) and the regulations set forth in 21 N.C. Admin. Code § 61 .0307 (23) and 21 N.C. Admin. Code § 61 .0401 (g).

##### **B. Stipulation to Sanction:**

Under N.C. Gen. Stat. § 90-652, in lieu of proceeding to hearing, the Respiratory Care Practitioner and the Board hereby enter into this consent order whereby the Respiratory Care Practitioner and the Board agree to the following terms:

1. The issuance of a Board Reprimand.
2. The Respiratory Care Practitioner is assessed a civil penalty of two hundred and fifty dollars (\$250.00) pursuant to N.C. Gen. Stat. § 90-666 and 21 N.C. Admin. Code § 61.0309. The Respiratory Care Practitioner shall remit this sum to the Board no later than September 10, 2009.

3. To complete a minimum of 2 hours of continuing education approved by the Board, the AARC or approved by the ACCME that are directly related to the practice of respiratory care within 30 days of receipt of this Consent Order. The Licensee agrees to provide copies of the completed continuing education to the Board within 30 days of receipt of this Consent Order.

4. To be audited for continuing education for the next three (3) years and supply copies of completed continuing education with his renewal for license.

5. To continue to comply with the Respiratory Care Practice Act, the Board's Rules, and the Board's published interpretation of those rules.

## **6. Public Record**

The parties agree that this Consent Order is public record, as required by N.C. Gen. Stat. § 132-1. Documents that are part of the investigative file are not public record.

## **7. Reporting**

This disciplinary action will be reported to the appropriate entities as outlined in Board policy and required by state and/or federal law or guidelines. Those entities include, but are not limited to, the National Databank maintained by the National Board for Respiratory Care and the Healthcare Integrity and Protection Data Bank (HIPDB).

## **9. Effective Date**

All provisions of this Consent Order are effective upon the date that the Executive Director of the Board signs this Order.

## **10. Noncompliance with Consent Order**

If, during the term of this Consent Order, the Board staff receives evidence that the Respiratory Care Practitioner has violated any of the above conditions, the Board may schedule a show cause hearing for a determination of the violations. If the Board determines that such violations have occurred, then the Board may suspend or revoke the license, revoke any stay, or may impose additional disciplinary action.

All provisions of this Order are effective upon this Order's effective date. Fulfillment of time-specific elements intended to coincide with active practice (such as, but not limited to; probation, supervision or therapy) will only accrue during periods of active practice in which the Respiratory Care Practitioner is compliant with the terms of this Order. Therefore, any period of noncompliance or inactive practice will not accrue towards fulfillment of those terms.

Should circumstances arise that affect the Respiratory Care Practitioner's ability to remain in compliance, the Respiratory Care Practitioner shall immediately notify the Board in writing by return receipt mail, fully describing the situation along with any attendant request for Board consideration.
