The Respiratory Care Practitioner is Polly A. Harman (the "Licensee"). Her mailing address is 3849 Gillette Drive, Wilmington, NC 28403. The Respiratory Care Practitioner holds North Carolina Respiratory Care License number 5484 (the "License"), first issued on June 19, 2008, with an expiration date of June 30, 2012.

**3. Waiver of Rights**

I, Polly A. Harman, the Respiratory Care Practitioner, understand that I have each of the following rights:

(Initials)

 The right to a hearing before the Board;

 The right to present evidence to disprove all or some of the charges against me;

 The right to present evidence to limit or reduce any sanction that could be imposed for a violation;

 The right to confront and cross-examine witnesses and to challenge evidence presented by the Board against me;

As noted by my initials above, I hereby freely and knowingly waive these rights without further process and agree to the terms of this Consent Order regarding my license. In order to resolve this matter by a Consent Order, I also agree that the Board staff and counsel may discuss this Consent Order with the Board *ex parte* whether or not the Board accepts this Order as written.

#### **4. Stipulation to Facts**

The Respiratory Care Practitioner and the Board stipulate to the following facts:

A. The Respiratory Care Practitioner was engaged in the practice of respiratory care in North Carolina when the events occurred that led to the initiation of this complaint.

B. The Board received information from Board Staff alleging that the Licensee failed to provide proper continuing education (CE) documentation for her June 29, 2011 renewal for Respiratory Care Practitioner licensure. The Licensee renewed her license on June 29, 2011 and checked CE option 1 (completion of a minimum of 12 hours CE). The Licensee was on the audit list and an audit notice was mailed on June 30, 2011. The Board received CE documents on July 29, 2011. The CE documents submitted were taken after the renewal date.

C. The Licensee admitted during an interview with the Board's Investigation and Informal Settlement Committee that she had not completed the required 12 hours of continuing education within the required period. The Licensee presented the Board copies of the CE hours required. The Licensee was informed that she could not use the hours submitted on her next year's renewal.

#### **5. Stipulated Order**

##### **A. Stipulation to Sections of Law Violated:**

I, Polly A. Harman, the Respiratory Care Practitioner, admit that the allegations against me, if proven true, would constitute violations of N.C. Gen. Stat. § 90-659 (a)(4) and the regulations set forth in 21 N.C. Admin. Code § 61 .0307 (23) and 21 N.C. Admin. Code § 61 .0401 (g).

3. The CE the Licensee completed for her 2010 to 2011 renewal and presented to the Committee may not be used for the RCP's 2011-2012 renewal.

4. To continue to comply with the Respiratory Care Practice Act, the Board's Rules, and the Board's published interpretation of those rules.

All provisions of this Consent Order are effective upon the date that the Executive Director of the Board signs this Order.

**10. Noncompliance with Consent Order**

If, during the term of this Consent Order, the Board staff receives evidence that the Respiratory Care Practitioner has violated any of the above conditions, the Board may schedule a show cause hearing for a determination of the violations. If the Board determines that such violations have occurred, then the Board may suspend or revoke the license, revoke any stay, or may impose additional disciplinary action.

All provisions of this Order are effective upon this Order's effective date. Fulfillment of time-specific elements intended to coincide with active practice (such as, but not limited to; probation, supervision or therapy) will only accrue during periods of active practice in which the Respiratory Care Practitioner is compliant with the terms of this Order. Therefore, any period of noncompliance or inactive practice will not accrue towards fulfillment of those terms.

Should circumstances arise that affect the Respiratory Care Practitioner's ability to remain in compliance, the Respiratory Care Practitioner shall immediately notify the Board in writing by return receipt mail, fully describing the situation along with any attendant request for Board consideration.
