3. Waiver of Rights

I, Wanda E. Hagan, the Respiratory Care Practitioner, understand that I have each of the following rights:

(Initials)

WEH The right to a hearing before the Board;

WEH The right to present evidence to disprove all or some of the charges against me;

WEH The right to present evidence to limit or reduce any sanction that could be imposed for a violation;

WEH The right to confront and cross-examine witnesses and to challenge evidence presented by the Board against me;

WEH The right to present legal arguments in a brief; and

WEH The right to appeal from any final decision adverse to my license to practice respiratory care.

As noted by my initials above, I hereby freely and knowingly waive these rights without further process and agree to the terms of this Consent Order regarding my license. In order to resolve this matter by a Consent Order, I also agree that the Board staff and counsel may discuss this Consent Order with the Board *ex parte* whether or not the Board accepts this Order as written.

4. Stipulation to Facts

The Respiratory Care Practitioner and the Board stipulate to the following facts:

A. The Respiratory Care Practitioner was engaged in the practice of respiratory care in North Carolina when the events occurred that led to the initiation of this complaint.

B. The Board received a complaint from Beth Eudy, RCP of Carolinas Medical Center-NorthEast, Concord, NC; informing the Board that the Licensee had taken a terminally ill patient off her BIPAP device without a physician's order.

C. The Licensee admitted during an interview with the Board's Investigation and Informal Settlement Committee on June 11, 2013 that she did take the terminally ill patient off her BIPAP device without a physician's order.

5. Stipulated Order

A. Stipulation to Sections of Law Violated:

I, Wanda E. Hagan, the Respiratory Care Practitioner, admit that the allegations against me, if proven true, would constitute violations of N.C. Gen. Stat. § 90-659 (a)(4) and the regulations set forth in 21 N.C. Admin. Code § 61 .0307 (10).

B. Stipulation to Sanction:

Under N.C. Gen. Stat. § 90-652, in lieu of proceeding to hearing, the Respiratory Care Practitioner and the Board hereby enter into this consent order and agree to the following terms:

1. The RCP accepts and agrees to the issuance of a Board Reprimand;
2. The RCP accepts and agrees to the assessment of a civil penalty of two hundred and fifty dollars (\$250.00) pursuant to N.C. Gen. Stat. § 90-666 and 21 N.C. Admin. Code § 61.0309. The RCP shall remit this sum to the Board no later than ninety (90) days after execution of this order.

The parties agree that this Consent Order is public record, as required by N.C. Gen. Stat. § 132-1. Documents that are part of the investigative file are not public record.

7. Reporting

This disciplinary action will be reported to the appropriate entities as outlined in Board policy and required by state and/or federal law or guidelines. Those entities include, but are not limited to, the National Databank maintained by the National Board for Respiratory Care and the Healthcare Integrity and Protection Data Bank (HIPDB).

8. Effective Date

All provisions of this Consent Order are effective upon the date that the Executive Director of the Board signs this Order.

9. Noncompliance with Consent Order

Failure by the Respiratory Care Practitioner to comply with the terms of this Order, either in substance or in timing, is a violation of 21 N.C. Admin. Code § 61 .0307(3). If, during the term of this Consent Order, the Board staff receives evidence that the Respiratory Care Practitioner has violated any of the above conditions, the Board may schedule a show cause hearing for a determination of the violations. If the Board determines that such violations have occurred, then the Board may suspend or revoke the license, revoke any stay, or may impose additional disciplinary action.

All provisions of this Order are effective upon this Order's effective date. Fulfillment of time-specific elements intended to coincide with active practice (such as, but not limited to; probation, supervision or therapy) will only accrue during periods of active practice in which the Respiratory Care Practitioner is compliant with the terms of this Order. Therefore, any period of noncompliance or inactive practice will not accrue towards fulfillment of those terms.

Should circumstances arise that affect the Respiratory Care Practitioner's ability to remain in compliance, the Respiratory Care Practitioner shall immediately notify the Board in writing by return receipt mail, fully describing the situation along with any attendant request for Board consideration.

Any modification of this Consent Order must be pre-approved in writing by the Board before it may occur.
